

HOUSE-HUNTING

(For Foreign Internship Student)

- ▶ Are you internship student in Bangladesh?
- ▶ Are you thinking about living cost of hotel?
- ▶ Are you thinking/looking for a house/apartment instead of hotel to save money?
- ▶ Are you looking for a local source to solve this problem?

NO PROBLEM---

We (AAAD Bangladesh) offers help to foreign students that come to Bangladesh for an internship in a NGO to find an apartment or any other accommodation.

■ If you go to rent an apartment/house, it is difficult, but we could do that easily as your local source.

Comments from Johana & Mikael:

"My name is Johana. I am a student currently in internship in the ngo ASA. I came here with a friend, and we were relieved and happy to find a place for our 3 months in Dhaka! All thanks to AAAD Bangladesh, we could save a lot of money!"

"My name is Mikael, I am a French student in Business School and Development studies. I'm an intern in AAAD Bangladesh until the end of March 2010, and it has been a great experience so far! They entrust me with a lot, which makes this internship a very good training!" Johana is my friend.
